

Banbury Street Pastors June Update

Prayer- the unseen key to the success of every work of God's Spirit

We continue to work towards restarting after Covid but we need your help – please pray for us

(several of us pray alone/together from home on a Monday night at 7.30pm)

Praise God for:

- the vision that started the Street Pastor movement and those who established a team in Banbury 9 years ago
- For those who have tirelessly patrolled the streets of Banbury and for those who provide them with support

Give Thanks for:

- those whose lives have been touched by God's love shown to them by a Street Pastor
- the Police and Town Council, without whose support we could not operate
- those who work in the night time economy, who see your love in action keeping their punters safe
- the churches and individual Christians who have faithfully supported us over the years

Ask God that:

- He will guide us and show us when it is right to restart patrols.
- He might refresh our hearts to do his will.
- He will raise up new volunteers
- He will inspire more churches and individuals to support us

Father God, give us thankfulness, generosity and joy in serving you, now and forever, Amen
